

**Healthy Mom Zone Research Study
Staff Inclement Weather Policy**

In the event of inclement weather (e.g., snow, ice, etc.) on the day you are scheduled for an on-site visit, please listen to WPSU 91.5 FM or check their website <http://www.wpsu.psu.edu>. If Penn State is closed, the research center will be closed and we will not be able to hold any research appointments.

If Penn State is open, and you do not feel comfortable traveling to Penn State due to inclement weather, please contact Abigail Pauley at 814-863-7354 to let her know that you will not be coming. If Penn State is not open, Abigail will call you to schedule a make-up appointment with that participant.
