## **Employment History**

. The Penn State Schuylkill Learning Center ( Database Entry) (15,October,2012)  
Schuylkill Haven, Pennsylvania

I had a responsibility for entering student and tutor log information in the database system, to ensure everyone was accounted for.  
(2012-2013)

. Camel Beach Mountain Water Park (Sales/Marketing Dept.) (13,June,2013)  
Tannersville, Pennsylvania

I had responsibility for making group reservations up to (20 people +). I also had to enter the data into an excel spread sheet which was updated constantly. This spreadsheet was printed and then distributed within the water park, to different departments within the water park. These spreadsheets were originally for customer head counts for other Departments leaders. This was to communicate with their team for that week. I also had the responsibility/privilege of adding or changing customer passwords, within the companies database "System Manger."( Sirius Ware)  
(Summer 2013)
