

App Tutorial Clicker Sentences

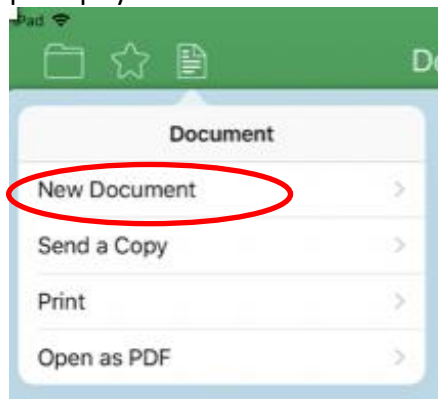

1. Open Clicker Sentences

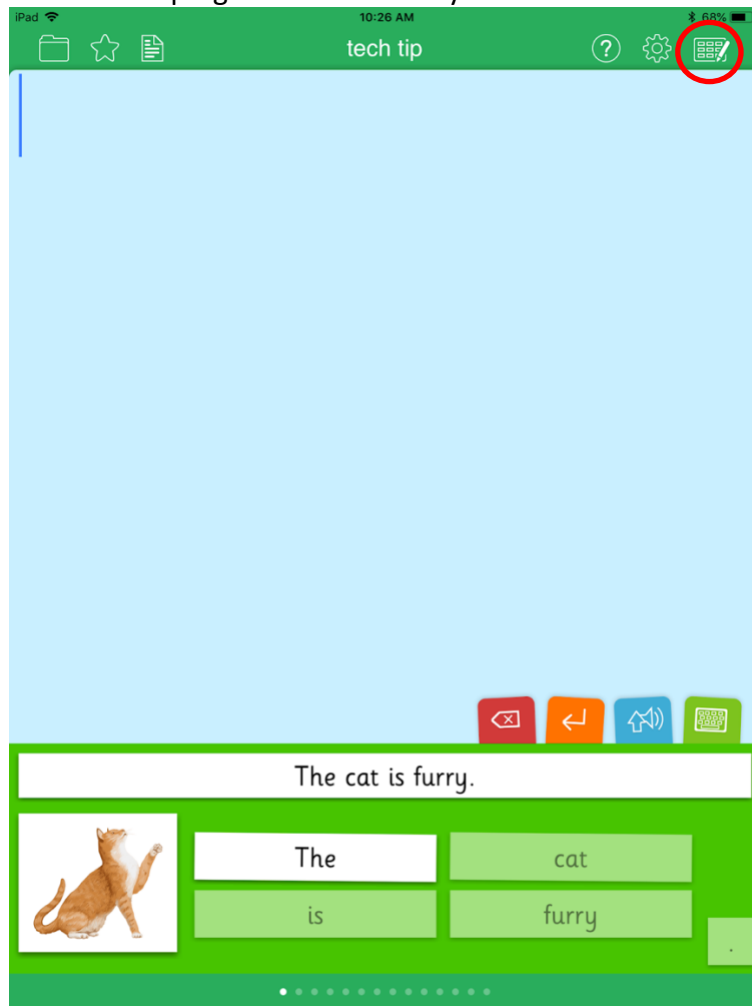

2. Click the **paper icon** in the top left corner of the page.

3. Then click **new document**. It will prompt you to name the document. Then hit **create**.

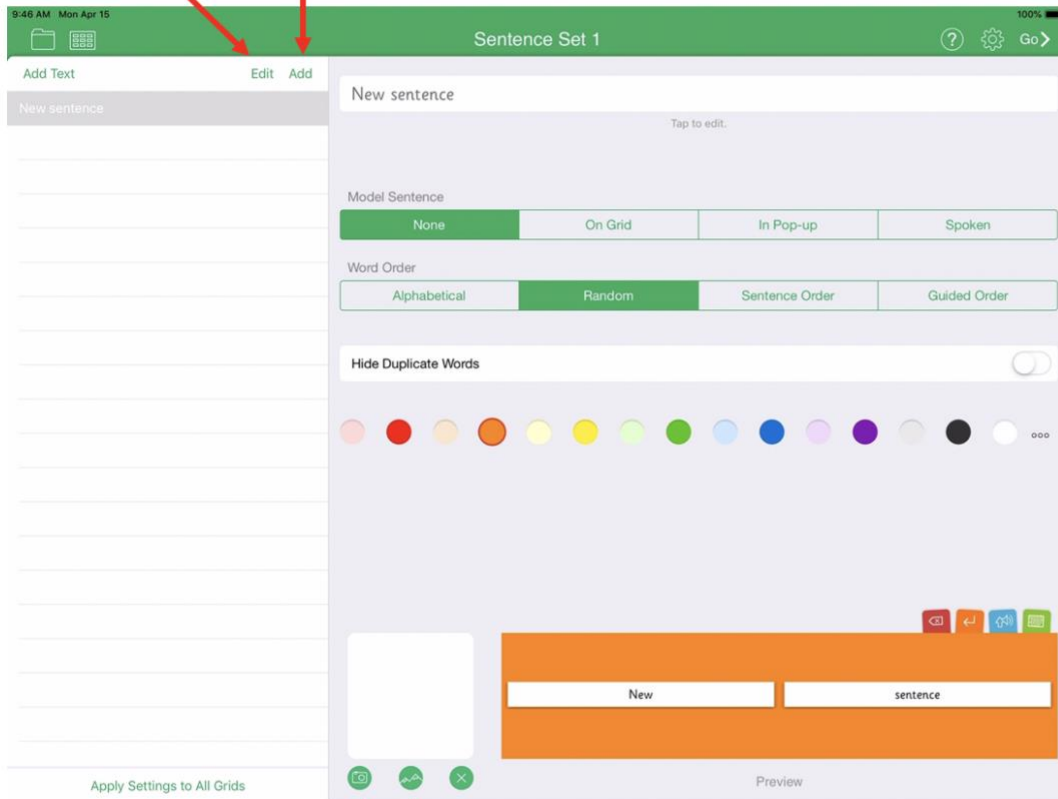

4. Now select the **grid icon** in the top right corner to edit your document.

5. Rotate the iPad to the **horizontal position**.

Hit edit to delete sentences

Click here to add a sentence

Click here to type the sentence

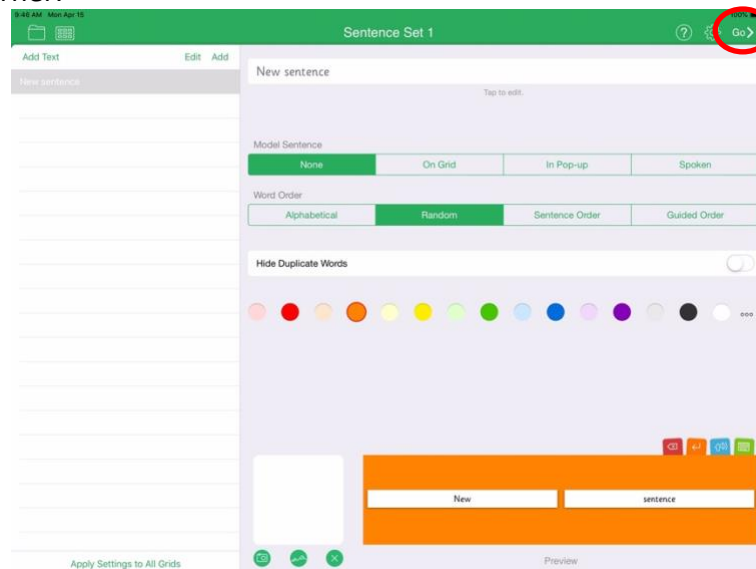

Pick the model here

Pick the word order here

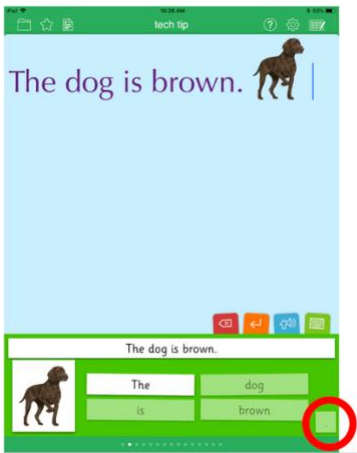

Pick the background color here

Take a picture, use a picture you have, or pick clipart here

6. When you are done editing your activity and adding all of your sentences, click **go**. This button is in the upper right-hand corner.

7. Now you can do your activity! Touch the word to put it in the sentence bar. After the student orders the words and puts them in a sentence add the period to have clicker say the sentence. Here are some additional features.

- a. Double tap this button to have the device say what the words are as you hit them.

- b. Tap this button to display a keyboard that lets you type in the sentence bar.
