November 21, 2013 - 6 pm
Internship Potluck
The co.space, 244 Nittany Avenue, State College
This town/gown community event is an excellent opportunity to meet local business owners who have internship openings for the spring, enjoy a free meal (donations accepted) and network with other student entrepreneurs. During the night, local businesses will have booths set up throughout the co.space home for students to talk with and learn about internships available. Unlike traditional career fairs, this event promises to be a relaxed environment where students and business leaders can mingle together over a meal. Each business will be bringing a potluck dish for the evening - although we encourage everyone attending to bring some sort of dish. For more info: https://internshippotluck.eventbrite.com/.
