What needs to be done now?

- Implementation of New Requirements
- Assessment
- Recertification of Courses
IMPLEMENTATION OF NEW REQUIREMENTS

- Integrative Studies
- C or better in GQ and GWS
- GHA $\rightarrow$ GHW
- LionPATH implementation
• An inter-domain course integrates, within one course, selected perspectives, concepts, information, and knowledge from two of the knowledge domains (GA, GH, GHW, GN, GS)

• Be at least 3 credits and each of the two knowledge domains will receive approximately equal attention

• Students may not fulfill all of the required work in a single domain with Inter-domain courses
Linked Courses

• Linked courses approach similar subject matter from different intellectual perspectives or are connected in some other purposeful way.
• Each course used to satisfy the requirement must represent a different knowledge domain (GA, GH, GHW, GN, GS).
• Sets of linked courses may contain more than 2 courses to increase flexibility for students.
