

Join the peer discussion in the FMLFPP Discussion Group on Wallace Center's Food System Leadership Platform

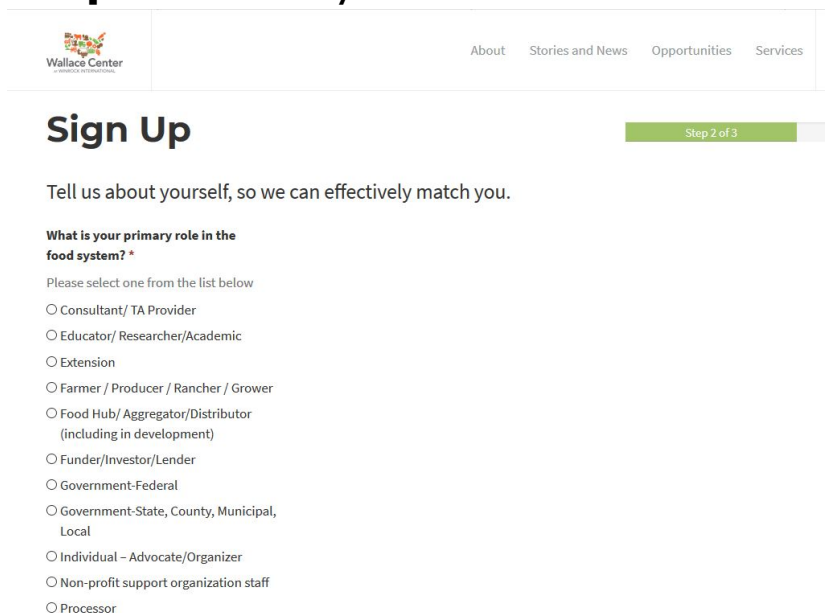

If you are not yet a member, sign up for the platform using these steps.

Step 1: Create username (email address)

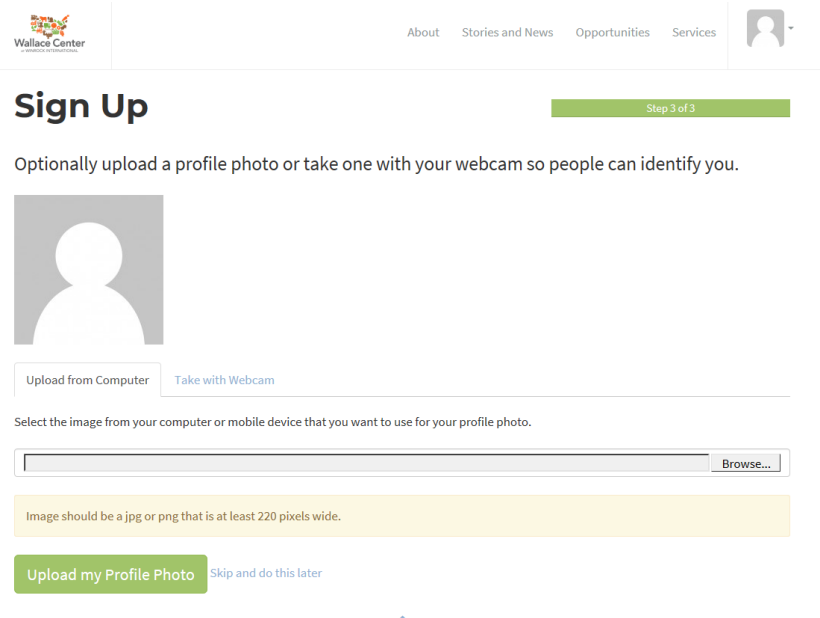

The screenshot shows the Wallace Center website header with navigation links: About, Stories and News, Opportunities, and Services. The main heading is "Sign Up" with a progress indicator "Step 1 of 3". The text reads: "Hello and welcome to Step 1 of the Food Systems Leadership Network's member onboarding process! Please take a moment to complete Step 1, click Save & Continue, then complete the Member Questions on Step 2. Please do not click the Save & Continue button or refresh your page during sign up, as the information you provide in Steps 1 and 2 is necessary to verify your membership as a systems practitioner. While your membership is being reviewed, please note that you will only see a small part of the Community of Practice. You will receive an email notification once your membership has been verified, and then you will have full access to the rich set of resources and opportunities available within this new Community of Practice. Once the initial sign up process is completed, you may log back in later to complete your profile but you are not required to do so. We do not collect optional fields like marital status, gender, etc. that are currently a part of the GoEntrepid platform, but none of these questions are necessary for FSLN membership, nor are we interested in collecting this information from you. Again, welcome aboard and thank you for your interest in the Food Systems Leadership Network. We look forward to connecting with you." Below the text are input fields for "Your Email Address", "New Password", "First Name", and "Last Name".

Step 2: Identify role and interests in the food system

The screenshot shows the Wallace Center website header with navigation links: About, Stories and News, Opportunities, and Services. The main heading is "Sign Up" with a progress indicator "Step 2 of 3". The text reads: "Tell us about yourself, so we can effectively match you." Below this is a question: "What is your primary role in the food system? *". The text continues: "Please select one from the list below". A list of radio button options follows: Consultant/ TA Provider, Educator/ Researcher/Academic, Extension, Farmer / Producer / Rancher / Grower, Food Hub/ Aggregator/Distributor (including in development), Funder/Investor/Lender, Government-Federal, Government-State, County, Municipal, Local, Individual - Advocate/Organizer, Non-profit support organization staff, and Processor.

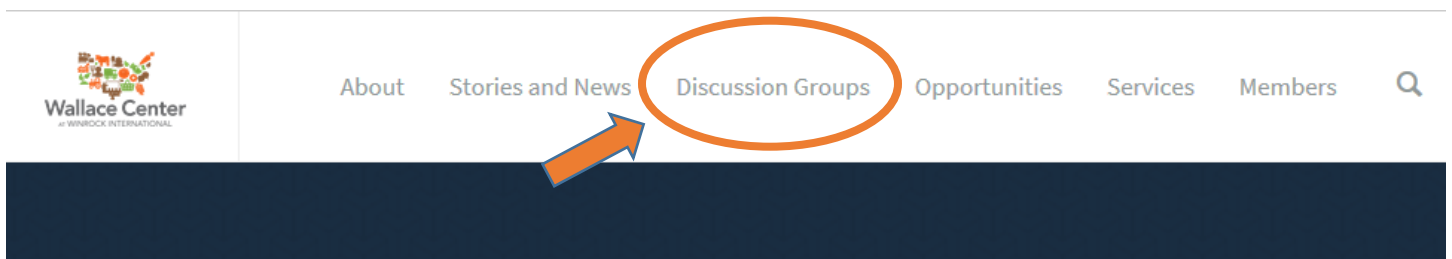

Step 3: (Optional) Add a professional photo for your profile

The screenshot shows the 'Sign Up' process at Step 3 of 3. The header includes the Wallace Center logo and navigation links: About, Stories and News, Opportunities, Services, and a profile icon. The main heading is 'Sign Up' with a progress indicator 'Step 3 of 3'. Below the heading, there is a text prompt: 'Optionally upload a profile photo or take one with your webcam so people can identify you.' A placeholder image of a person is shown. Two buttons are available: 'Upload from Computer' and 'Take with Webcam'. Below these, a text instruction reads: 'Select the image from your computer or mobile device that you want to use for your profile photo.' A file selection interface is shown with a 'Browse...' button. A yellow box contains the instruction: 'Image should be a jpg or png that is at least 220 pixels wide.' At the bottom, there are two buttons: 'Upload my Profile Photo' and 'Skip and do this later'.

Once you sign up, you will be verified by the website administrators within 24 hours.

Step 4: For Current Members of FSLN, or once you receive your verification email, log in. You will be taken to your personal profile page. Click "Discussion Group" at the top of the page.

Step 5: Scroll or Search for FMLFPP in the search tab, hover mouse over the group and click "Join Group"
