AWG Graduate/Undergraduate Mentor/Mentee Program

Annual Match-up Dinner

Thursday, September 13th, 5:30 - 7:00pm
EMS Museum (ground floor Deike Building)

Come eat Chipotle and meet potential mentors or mentees!
Undergraduate and graduate, female and male students welcome!

The program pairs undergraduate and graduate students in order to build relationships and provide a resource for advice on internships, finding research opportunities, applying to graduate school, career options, etc. AWG will subsidize the cost for each mentor/mentee pair to go out for a coffee break or lunch once a month.
