

GRADUATION INFORMATION

1. Review Academic Requirements (Degree Audit) on LionPath: It is the student's responsibility to ensure that graduation requirements are complete. Therefore, prior to Applying for Graduation, ensure that Academic Requirements on LionPath show as complete.

Steps: LionPath→Student Center→Other academic→Academic Requirements (click »)

If you do not see that all requirements are complete or if you are uncertain, notify your adviser with questions or details about your plan for any missing requirements. Some courses may need to be substituted based on previous advising discussions in order for the Academic Requirements to show as complete.

2. Apply for Graduation: This is a required step to officially graduate. You can apply for graduation on Lionpath between specified dates each semester. For a tutorial on how to apply for graduation please visit <https://tutorials.lionpath.psu.edu/public/ApplyGrad/>. The activation dates can be found at www.registrar.psu.edu. (Click Academic Calendars and the specific semester.)

3. Transfer courses: If missing graduation requirements were taken through other colleges, arrange ASAP* for an official transcript to be mailed to:

Penn State Undergraduate Admissions
201 Shields Building
University Park, PA 16802

* If you are taking or plan to take any graduation requirements as transfer courses in your final semester, please note that there is no guarantee that your credits will be received and recorded by Penn State in time to officially graduate in your final semester. You may need to be removed from the graduation list if transfer credit is not received and recorded by the semester deadline set by the Registrar's Office.

*If the school can fax or email your transcript to Penn State Admissions, this will ensure faster delivery. Fax: 814-863-7590. Email: admissions@psu.edu. Or, if the school has a system by which you can request that the transcript be sent electronically, please send your transcript electronically to Penn State.

4. Commencement Ceremony: See www.commencement.psu.edu.

5. Cap and Gown: Order and purchase through the Penn State Bookstore. Plan ahead.

6. Diplomas: Make sure your permanent address on LionPath is correct. Diplomas will be mailed to that address approximately 4 weeks after graduation.

***“Walking” at Graduation:** If you wish to participate in a commencement ceremony before you have degree requirements complete, you must have fewer than 8 credits or 2 courses remaining and planned for completion the following semester. Approval must be obtained by the CHHD Dean's Office. Contact your adviser to learn more about the procedure for requesting approval.*
