- If your major does not require a 12th-credit level in a language, completing the 003 course that marks the 12th-credit level can substitute for any dotted-line box above (counting as 3 credits).
- Students who have demonstrated 12th-level proficiency in one non-English language but take a third language to 12th-credit level proficiency, can substitute that 003 course for any dotted-line box above (counting as 3 credits).

The University may make changes in policies, procedures, educational offerings, and requirements at any time. This plan should be used in conjunction with your degree audit (accessible in LionPATH as either an **Academic Requirements** or **What If** report). Please consult with a Penn State academic adviser on a regular basis to develop and refine an academic plan that is appropriate for you.
