a. The Promotion and Tenure Review Committee for tenure-track faculty consists of nine members: two elected from each School, and one, the Chair, who serves a one-year term, appointed by the Chancellor. Committee members must be tenured and have the minimum rank of Associate Professor, and each member (other than the chair) serves a two-year term with the terms of the School representatives staggered. The Committee is responsible for the review of tenure-track faculty for promotion and tenure as specified in the University's Promotion and Tenure Review Procedures and Regulations (AC23), Definition of Academic Ranks (AC21), the Penn State Behrend's Promotion and Tenure Policy, and the Administrative Guidelines to AC23.

the Promotion and Tenure Committee, subject to the following conditions:

i) The number of members will be odd
ii) There will be members from at least three of the four schools and no more than two members from a single school
iii) There will be at least one member from the candidate’s school

The Chancellor will appoint additional members from the College faculty to the ad-hoc Committee if needed to meet these criteria. If the Chair of the Promotion and Tenure Committee does not have rank of Professor, the Chancellor will appoint a chair from those on the ad-hoc Committee.

b. The Fixed Term Promotion Review Committee for fixed-term and non-standing faculty consists of five members: one elected from each School, and one, the Chair, who serves a one-year term, appointed by the Chancellor. Committee members must have been promoted to at least the second rank (Associate Teaching, Research, or Clinical Professor for members possessing a terminal degree; Assistant Teaching, Research, or Clinical Professor for members lacking a terminal degree). Each member (other than the chair) serves a two-year term with the terms of the members staggered. The Committee is responsible for the review of fixed-term faculty for promotion as specified in the University's Definition of Academic Ranks (AC21), and the Penn State Behrend Promotion and Tenure Policy.

When there are candidates being considered for promotion to the third rank (Teaching, Research, or Clinical Professor for candidates possessing a terminal degree; Associate Teaching, Research, or Clinical Professor for candidates lacking a terminal degree), an ad-hoc Committee will be formed by the Chancellor from members of the Fixed-term Promotion Committee who have attained the third rank, subject to the following conditions:

i) The number of members will be odd
ii) There will be members from at least three of the four schools and no more than two members from a single school

The Chancellor will appoint additional members from the College faculty to the ad-hoc Committee if needed to meet these criteria. If the Chair of the Fixed-Term Promotion Committee does not have rank of Professor, the Chancellor will appoint a Chair from those on the ad-hoc Committee.

c. A University Senator Caucus composed of the elected and/or appointed University Faculty Senate Representatives and the Chair of the Behrend Faculty Senate serves as a committee to give consultation and advice to the Behrend
College Chancellor regarding University affairs affecting Behrend. The Caucus is chaired by the Penn State Behrend representative to University Faculty Senate Council.

It approves athletic schedules, considers eligibility of students for intercollegiate athletics, and helps promote a sound academic climate for the intercollegiate athletic program. The Athletic Director and the Faculty Athletic Representative (appointed by the Chancellor) serve as ex officio members of this Committee. Members of the intercollegiate coaching staff, other than the Athletic Director, are ineligible to serve on this Committee.

c. An Undergraduate Curricular Affairs Committee to review and evaluate all undergraduate course and curriculum proposals submitted by the Schools of the College. It studies and reviews all existing undergraduate courses and curricula of the College and maintains liaison with the College administration and faculty as necessary for the implementation of the procedures outlined in the Guide to Behrend College Curricular Procedures. The Undergraduate Curricular Affairs Committee will maintain and make available the Guide to Behrend College Curricular Procedures, which provides instructions for submitting course and curriculum proposals. The policies and procedures in the Guide to Behrend College Curricular Procedures are subject to the approval of Faculty Council and are to be consistent with the University Faculty Senate’s Guide to Curricular Procedures.

The Behrend representative to the University Senate Committee on Curricular Affairs is an ex officio, non-voting member of the Behrend College Curricular Affairs Committee.

material welfare of the faculty, and on matters affecting the educational
environment in which the faculty work. Among the policy matters of concern to
the Committee on Faculty Affairs are the following: faculty appointments,
leaves, salaries and fringe benefits, and "rights and responsibilities." The

submitting a graduate course and curriculum proposals for curricular approval.
The policies and procedures in the Guide to Behrend College Graduate
Curricular Procedures are subject to the approval of Faculty Council and are to
be consistent with the University Graduate School Guide to Curricular
Procedures. The committee will study and review all existing graduate courses
and curricula of the College and maintain liaison with the College administration
and faculty as necessary for the implementation of the procedures outlined in the
Guide to Behrend College Graduate Curricular Procedures. The Graduate
Affairs Committee will also evaluate graduate faculty nominations for full-time
faculty.

Membership will include at least one representative from each School that has
Graduate Faculty membership. Committee members will serve a two-year term
with the terms of the School representatives staggered. Behrend’s Graduate
Council Representative and Graduate Joint Curricular Committee Representative
will serve as ex officio, non-voting members of the Behrend College Graduate
Affairs Committee. A graduate student representative is to be appointed to the
Graduate Affairs Committee. The representative is selected from those names
submitted by the school directors with graduate programs and appointed by the
Chair of the Graduate Affairs Committee. The committee will consist of an odd
number of members (including the committee chair but excluding Behrend’s
Graduate Council Representative, Graduate Joint Curricular Committee
Representative, and the graduate student representative). All elected committee
members will serve as the Graduate Curricular Affairs Nominating Committee

The Nominating Committee consists of the Chancellor (who chairs the committee and is a non-voting member), Associate Dean of Academic Affairs, Chair and Vice-Chair, Secretary of the Faculty Senate, Behrend University Senators, and the most recent past Chair of the Faculty Council. Nominees are selected from the list of committee members. The Nominating Committee attempts to provide balance among the Schools in its nominations for committee chairs, and normally nominates a committee member who has served at least one year as a member of that committee. Elections are by secret, secure ballot of the members of the Faculty Senate. Each elected chair serves a one-year term, unless reelected.

c. An undergraduate student representative is appointed to each of the Standing Committees of the Council, with the exception of the Committees on Faculty Affairs and Research. Such representatives are selected from those names submitted by the President of Student Government Association and appointed by the Chair.

Section 6
In the event that the Chair of any committee is unable to complete his/her term of office, the Faculty Council appoints a new Chair to serve in that capacity until the next regularly scheduled election. If a representative withdraws from a committee, the School will appoint a replacement based on the receiver of the next highest vote total from the original election (otherwise, at the discretion of the Director of that program). If a Chair is unable to attend a Faculty Council meeting, he or she may designate a representative from his or her committee.

It is recommended that the Chair of Faculty Council convene an *ad hoc* Constitution Committee chaired by the Vice Chair of Faculty Council and with representation from all four schools, in consultation with the Chair of Faculty Council. The ad hoc committee would be charged with collecting feedback from faculty regarding any proposed amendments, and with presenting this to Faculty Council for discussion and consideration. A vote by Faculty Senate is then scheduled to occur within the ensuing fifteen working days. Final College approval of the amendment requires a majority of ALL of the voting members of the Behrend Faculty Senate (*i.e., a majority of all full-time Behrend Faculty members, not just the members who actually cast a vote*).
