

Bill #66-11

The Graduate and Professional Student Association (GPSA) The Pennsylvania State University

of the 66th Assembly
10/05/2016

Be it decided by the Assembly of Elected Delegates,

Movin' On Co-Sponsorship **Funding of Food for Movin' On Performers** (Decided: [Y / N / A])

1 **Nature of the Situation:**

2

3 Movin' On is one of the largest student-run music festivals in the country, and a Penn State
4 tradition now in its 42nd year. Movin' On brings the top music of yesterday, today, and tomorrow
5 together as a celebration of those graduating Nittany Lions "movin' on" in their academic and
6 professional lives.

7

8 Since its inception in 1975, Movin' On has remained true to its roots by providing a fun-filled
9 day of diverse music, exciting events, and plenty of freebies donated by generous corporate and
10 local sponsors, all in a substance-free environment and at no charge to students or guests.

11

12 Historically, the GPSA has contributed funds (\$3,000) that go to support the hospitality services
13 for the musical acts that come to Movin' On. The funds have gone directly to providing
14 breakfast, lunch, and dinner throughout the day to the various artists. This an essential feature of
15 the event, and without it, Movin' On would have to draw from extremely limited funds or seek
16 sponsorship to cover the cost. Not providing these amenities to the artists could negatively affect
17 the overall quality of the event.

18

19 **Recommended Course of Action:**

20

21 The Graduate and Professional Student Association commits to co-sponsor the event by
22 providing financial support in the amount of \$3,000 toward the cost of food for the performers.
23 This amount will be payable directly to the caterer of the event.

Respectfully submitted,
