(Decided: [Y/N/A])

**Nature of the Situation:**

Part of the Graduate and Professional Student Association's mission is to improve the experience of graduate and professional students by supporting social and inclusive events. As the governing body for graduate and professional students, it is our duty to support organizations that represent and support its constituents. The Student Bar Association is the governing body for Penn State Law. It hosts an annual Halloween event, which is open to all students. Most students who attend are graduate and professional students.

**Recommended Course of Action:**

The Graduate and Professional Student Association authorizes a co-sponsorship of the Student Bar Association's Halloween Mixer.

The Graduate and Professional Student Association will allocate \$350 for food items at the event.
