- 38 1. Answered by a mental health professional
- 39 2. Crisis texting line: text “LIONS” to 741741 – national line, staffed by
- 40 volunteers
- 41 ii. Drop-in sessions
- 42 d. Questions

- 1 i. Liana: Connections between these hotlines and other agencies?
 - 2 1. Calls are handed off when they display imminent risk; no connection between
 - 3 crisis line and hospital
- 4 ii. Bagmi: Are these services confidential?
 - 5 1. Yes; the hotline is an extension of our operations
 - 6 2. The texting line has no connection to Penn State and thus no reporting
 - 7 obligations
- 8 iii. Sid: Typical appointment wait time?
 - 9 1. Two different services:
 - 10 a Rapid access
 - 11 i Phone screening, within 2-3 days
 - 12 ii Urgent appointment: no wait
 - 13 b Treatment
 - 14 i Almost always a wait; depends on time of year
 - 15 ii Little to no wait in first two weeks
 - 16 iii We are four weeks in; several weeks wait
 - 17 iv May turn people away at the end of the semester
- 18 iv. Sid: Student fee board gave funding when there was 6-7 week wait; why no reduction?
 - 19 1. CAPS has had a 48% increase in demand this year
 - 20 a Increase in staffing has helped, but has not outpaced demand
- 21 v. Sid: Out of the 4,500 students you've contacted this year, how many are treatment?
 - 22 1. It's a small fraction of those 4,500; many are using the other services
- 23 vi. David: Do you have any metrics for the effectiveness of treatment? Are people stuck
 - 24 waiting until something bad happens, or are we getting to them before that happens?
 - 25 1. We know that our services are effective based on academic research, but we
 - 26 also know that the length of services is often not enough
- 27 vii. David: have we seen distress drop?
 - 28 1. No, nationally we've seen measures of self-reported distress and anxiety
 - 29 increase; other measures show distress levels have not changed

- 27 a Sailahari: faculty will also be required to do this

- 29 noncompliance, they said no one will get in trouble because this

16 (Decided: [Y / N / A])
17

18 **Nature of the Situation:**
19

20 The Graduate and Professional Student Association is responsible to enrich graduate life at Penn
21 State. Over the past several years, the Winter Gala has become the cornerstone social program of the
22 fall semester sponsored by GPSA. It's an opportunity to bring all graduate students together for an
23 enjoyable evening at the end of the fall semester before final exams and fall graduation. The event
24 comprises a buffet-style catered dinner, followed by a DJ and dancing. Additionally, there is a
25 charitable component of the event, through which attendees are encouraged to support the local
26 community. This year, the community service subcommittee is working with the community
27 outreach subcommittee to coordinate this.
28

29 **Recommended Course of Action:**
30

31 The Graduate and Professional Student Association authorizes the following expenses for the
32 Programming committee as part of the 2018 Winter Gala, which will be held at the Nittany Lion Inn

1 some of the costs of the event. It is anticipated that 250 tickets will be sold and therefore \$3750 will

September 12, 2018

Be it decided by the Assembly of Elected Delegates,

Fall Professional Head Shots

Funding for Professional Head Shots for Graduate Students

(Decided: [Y / N / A])

2 **Nature of the Situation:**

3
4 Part of GPSA’s mission is to promote professional and job related opportunities for graduate and
5 professional students. Establishing a professional identity usually requires professional headshots,
6 which can be used on LinkedIn and other professional-related digital sources.

7
8 In order to provide an ample range of times for graduate and professional students to get their
9 headshots taken, there will be two days with three hours of available slots on each day. Each
10 headshot takes approximately 5 minutes, allowing up to 72 participants. Registration will be
11 advertised through the GPSA Newswire prior to the event.

12
13 **Recommended Course of Action:**

14
15 The Professional Development Committee will hold a professional headshot event for graduate
16 and professional students in HUB 134 in on November 5 and 6, 2018. Headshots at the past two
17 events have been taken by photographer Michael Davis, whose work can be found at
18 www.mtdphotography.com.

The Graduate and Professional Student Association (GPSA)

The Pennsylvania State University

of the 68th Assembly

September 12, 2018

Be it decided by the Assembly of Elected Delegates,

Gerrymandering Panel Discussion and Voter Registration Event

Funding for Gerrymandering Panel and Voter Registration Event

(Decided: [Y / N / A])

1 **Nature of the Situation:**

2
3 A great number of Penn State graduate and professional students will be voting in Centre County
4 and in the state of Pennsylvania. The redrawing of district lines has been a topic in the state
5 legislature and is relevant to how the state votes and how students are represented in the
6 government. This panel bring professors and local experts on the state of gerrymandering in
7 Pennsylvania and around the country to an information session and discussion with graduate and
8 professional students. Part of GPSA's community outreach is to encourage involvement in the
9 community through understanding issues and decision-making in the community. Therefore,
10 there is a need to educate graduate students and professionals. Additionally, many new graduate
11 students and professionals have not yet registered to vote. With the upcoming midterm elections,
12 graduate and professional students can benefit from easy access to voter registration and
13 nonpartisan information about current issues.

14
15 **Recommended Course of Action:**

16
17 The Graduate and Professional Student Association authorizes the Community Outreach
18 committee to purchase the following items for a voter registration event with a gerrymandering
19 panel consisting of community workers and academics on Wednesday, September 26th during
20 "PSU Votes" Week.

1 Wegman's Sub Platters: $\$55 \times 3 = \165
2 Water Bottles: $\$2.59 \times 2$ packs of 35 = $\$5.18$
3 Plates: $\$11.49$ (60 count)
4 Cups: $\$11.49$ (120 count)
