

TODAY ON ROUNDS I WAS EXCITED TO SHARE MY PLAN FOR OUR NEW PATIENT.

UGH. EATING DISORDERS. JUST PRESCRIBE A CHEESE BURGER. NEXT PATIENT!

THE THING ABOUT EATING DISORDERS IS...

DURING COLLEGE MY BEST FRIEND, KIM, DEVELOPED AN EATING DISORDER.

I WENT FROM BEING HER
BEST FRIEND TO HER ENEMY
THE DAY I BROUGHT HER TO
THE EMERGENCY ROOM.

SHE STARTED TREATMENT,
BUT OUR FRIENDSHIP NEVER
RECOVERED. WE GRADUATED,
AND I WENT TO MEDICAL SCHOOL.

DSM-5

Criteria for Anorexia Nervosa

A. Restriction of intake
→ low body weight.

B. INTENSE FEAR of
gaining weight or becoming fat.

C. DISTURBANCE in
body image or lack of
recognition in seriousness
of low body weight.

Anorexia Nervosa ~~~~
DISTURBED eating
behaviors ~~~~ intense
preoccupation with
body image ~~~~
Range of
outcomes ~~~~ recovery
Death. ~~~~
