

MARLANA ORLOFF

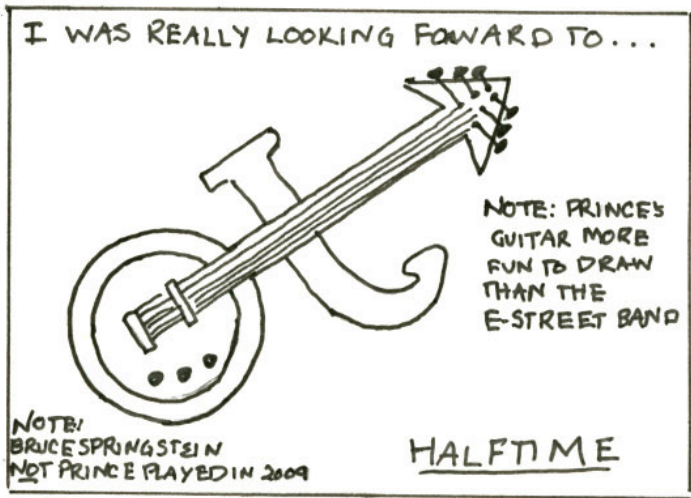

I WASN'T PLANNING ON GOING TO MY MOM'S FOR THE SUPERBOWL

BUT I NEVER PASS UP A GOOD MEAL, ESPECIALLY LOBSTER.

THE FIRST HALF OF THE GAME WAS UN EVENTFUL

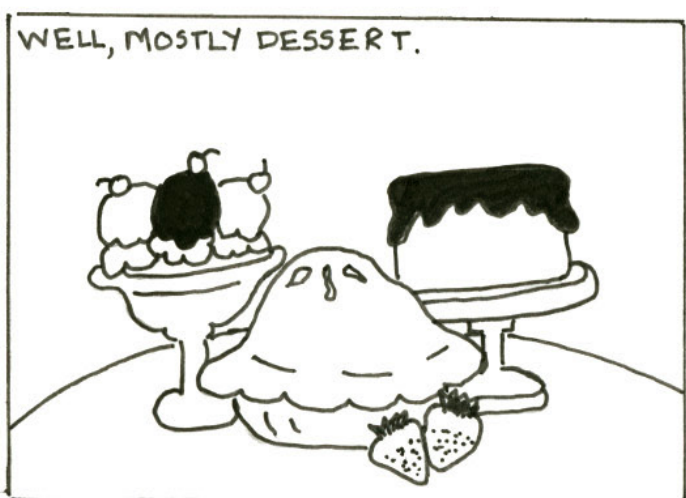

I WAS REALLY LOOKING FORWARD TO...

NOTE: PRINCE'S GUITAR MORE FUN TO DRAW THAN THE E-STREET BAND

NOTE: BRUCE SPRINGSTEIN NOT PRINCE PLAYED IN 2009

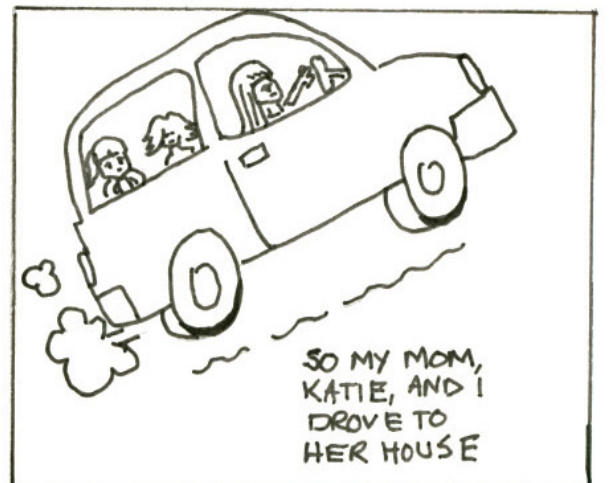

HALFTIME

WELL, MOSTLY DESSERT.

AND JUST WHEN I WAS ABOUT TO DIG INTO MY RASPBERRY CHEESECAKE SUNDAE, THERE WAS A BANG ON THE DOOR.

THE WHOLE WAY THERE I TRIED
TO REMEMBER EVERYTHING I
LEARNED IN MEDICAL SCHOOL
JUST IN CASE IT WAS INDEED A
MEDICAL EMERGENCY...

EFFERENT
TUBULE?

BUT ALL I COULD RECALL
WAS THE MECHANISM OF
ACE INHIBITORS
AND THAT IS NOT
VERY USEFUL.

I DREW A BLANK

WHAT ARE
THE
ABCs?

I COULD NOT REMEMBER MY ABCs

ABCDEFGH
IJKLMNOP
OPQRSTU

VWX
YZ

NOW I
KNOW MY
ABCs

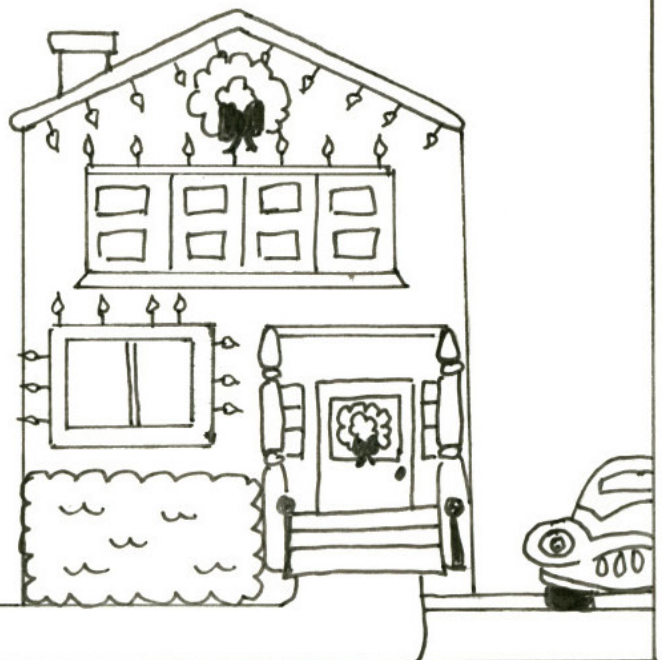

NO

NO, NOT
THOSE
ABCs

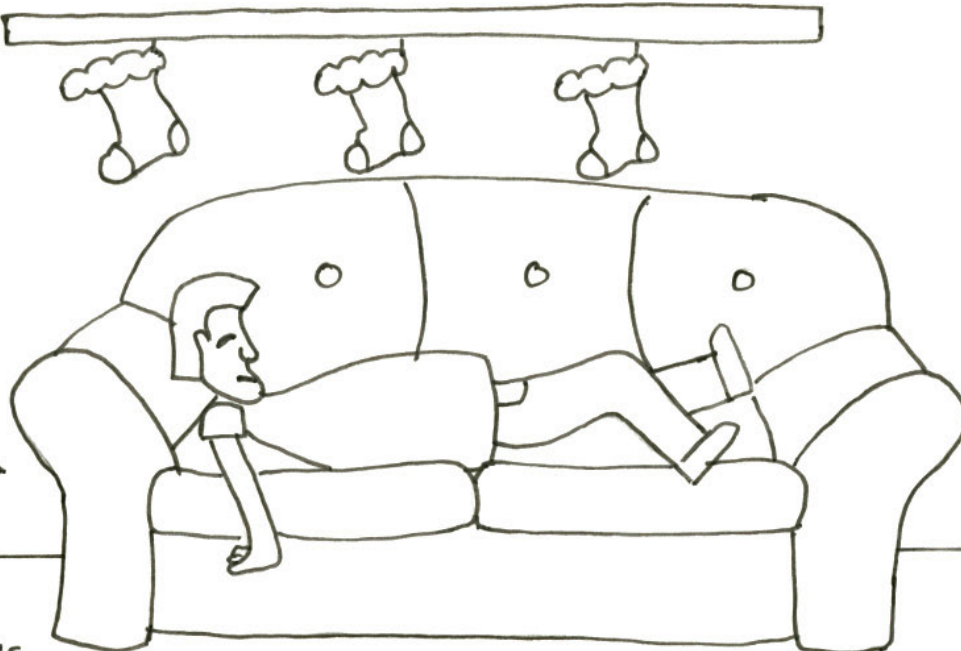

AS WE RAN INTO THE HOUSE
MY MOM PUSHED ME AHEAD
AND OFFERED THE MOST
ENCOURAGING WORDS

YOU GO IN
FIRST I NEVER
SAW A DEAD
BODY BEFORE

OH GREAT!
WHAT ARE
THE ABCs?

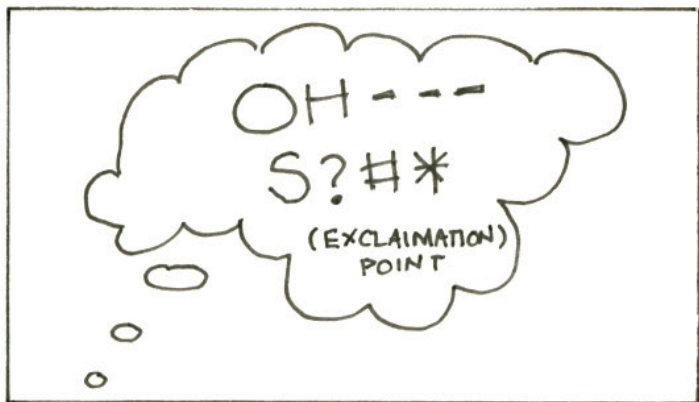

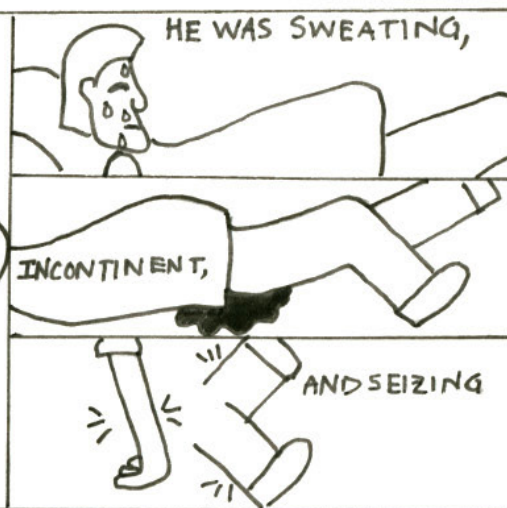

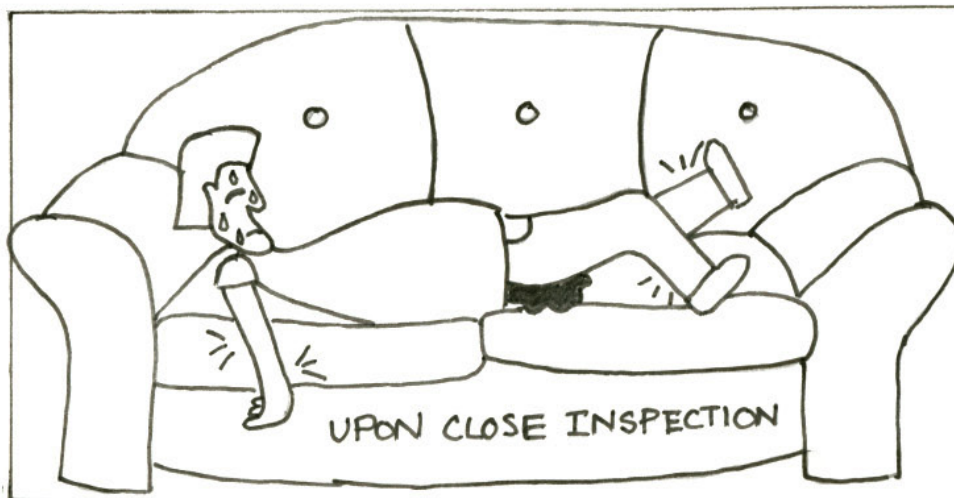

AS I WALKED INTO THE HOUSE I WASN'T SURE
WHAT WAS THE MOST CONCERNING...

THE XMAS DECORATIONS
UP IN FEBRUARY

= OR =

THE UNCONCIOUS PARTIALLY
SEIZING MAN ON THE COUCH

THE EMTs
WON'T BE
HERE FOR
AT LEAST
ANOTHER
FIVE MINUTES

B =
BREATHING

C =
CIRCULATION
(WHETHER
OR NOT
THERE IS A
PULSE RIGHT?)

I AM AN
ALMOST DOCTOR
I SHOULD BE
ABLE TO DO
SOMETHING =
ANYTHING!

A =
AIRWAY

A

B

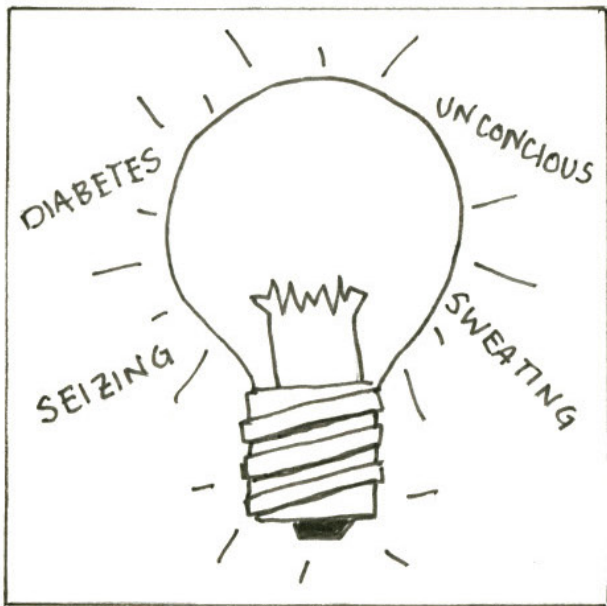

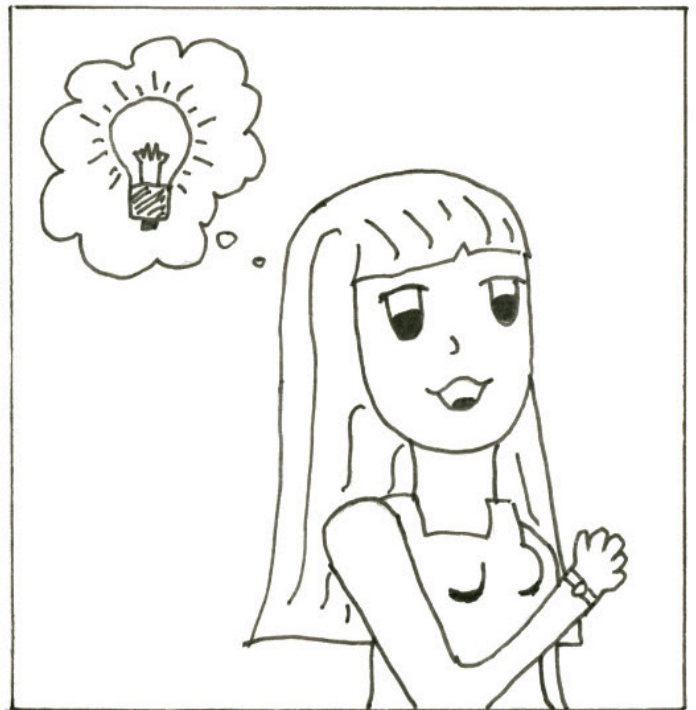

C

NOW
WHAT?

WHAT
ARE THE
ABCs?

OH
YEAH!
—

DIABETES
UNCONCIOUS
SEIZING
SWEATING

HYPOGLYCEMIA

WWUTDD?

(ABBREVIATION FOR: WHAT WOULD UP TO DATE DO?)

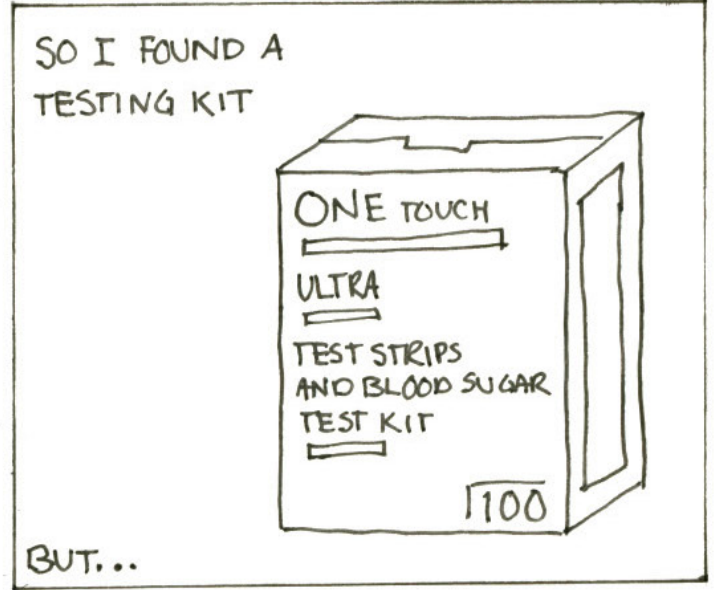

GIVE SUGAR

CHOICES OF SUGAR

- ① ~~IV DEXTROSE~~ NO IV ACCESS
- ② ~~SUGAR GEL~~ NONE
- ③ ~~ORANGE JUICE~~ PATIENT UNCONCIOUS
- ④ ~~SNICKERS BAR~~ PATIENT UNCONCIOUS
- ⑤ GRANULATED SUGAR → POSSIBLY

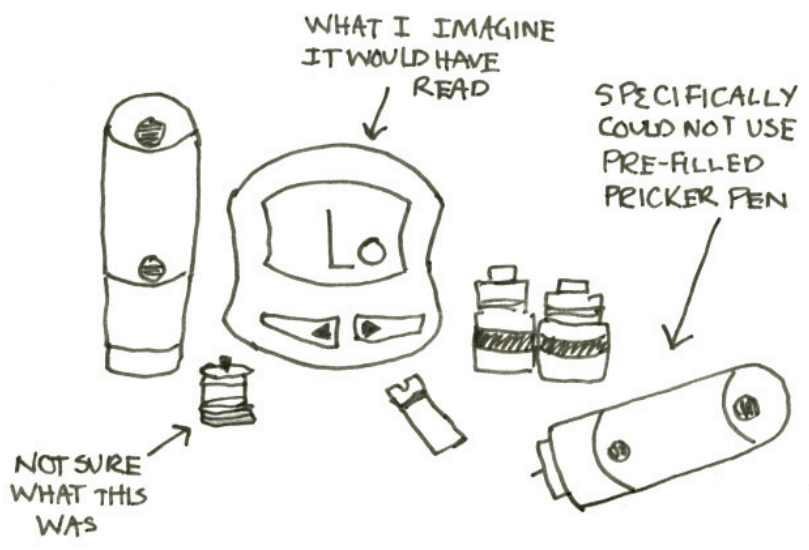

↑ ONLY FOUND

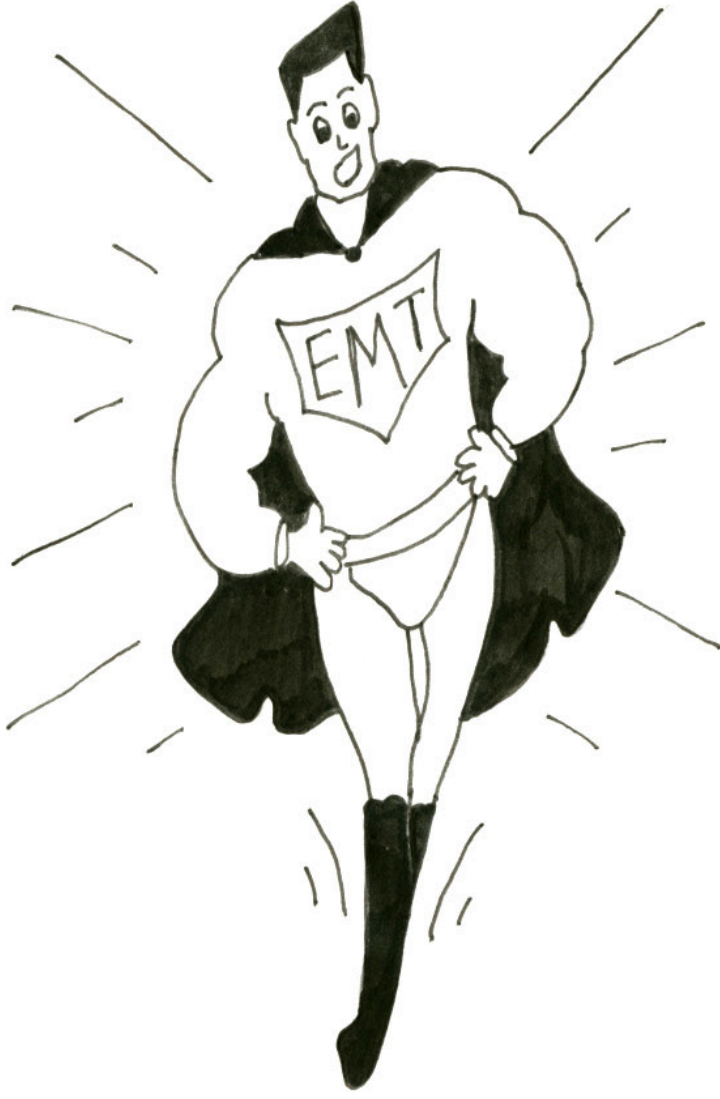

I HAD SIGNIFICANT TROUBLE
FIGURING OUT HOW TO USE IT
(AND BY SIGNIFICANT TROUBLE
I MEAN I AM PREETY
SURE I BROKE IT)

I NEVER LEARNED
THIS DURING
ISLAND WEEK

AND JUST WHEN I THOUGHT I
MAY HAVE FIGURED IT OUT...

THE AMBULANCE ARRIVED
AND IN LESS THAN 60 SECONDS

- BLOOD SUGAR CHECK
- IV ACCESS
- D5W HUNG
- PATIENT ALIVE
AND WELL

(NOTE: PATIENT'S BLOOD SUGAR
WAS 23)

AND AS AN ALMOST DOCTOR
I HAD NOTHING TO DO
WITH IT!

WELL, I DID TELL MY MOM TO CALL 911
