ABOUT THE CONFERENCE SERIES

This conference provides a venue for scholarly interactions among academics, researchers, students, and representatives from industry and government. The annual theme is the economic, social, political, cultural and technological environments in which today's businesses operate.

Annually, our conference is attended by 60 to 120 participants who represent up to 20 universities in up to 12 countries and territories. Our conference has been successful in that more than 50% of participants are repeat participants, i.e., they participated in at least one of our past conferences. Participants' post-conference feedback in our last three (3) conferences show more than 90% rating our conference as "excellent" or "very good".

In celebration of the 10th year of the ICBEIT conference series, the organizers are offering a 4-day, 2-city international conference in Japan.

• March 14th and 15th at the Noyori Conference Hall at Nagoya University (NU) campus in Chikusa, Nagoya, Japan **PART 1 (NU)**

CONFERENCE VENUES, AIRPORT INFORMATION AND HOTEL ACCOMMODATIONS

Unlike our past conferences, this year's conference will be held over four (4) days in two cities in Japan. In order to keep the event affordable, two of our university sponsors agreed to host the conference in their campuses:

• **PART 1 (NU)**
March 14th and 15th at the Noyori Conference Hall at Nagoya University (NU) campus in Chikusa, Nagoya, Japan

• **PART 2 (APU)**
March 17th and 18th at the Ritsumeikan Asia Pacific University (APU) campus in Beppu, Oita, Japan

March 16th is a one-day intermission to allow participants attending both locations to make their way from Nagoya to Beppu. Participants may choose to attend one or both parts of the conference.

Attending Part 1 (NU) Only

Most international flights will arrive Nagoya City through the Chubu Centrair International Airport (airport code NGO) <http://www.centrair.jp/en/>. A train ride between the airport and Nagoya Meitetsu station on the Airport Express train **μ-SKY** will take 28 minutes and cost USD10 each way <http://www.meitetsu.co.jp/eng/airport-access/express.html>. There are many hotels near the Nagoya Meitetsu or JR station to fit your budget. Nagoya University is 13km (8mi) away from the Nagoya train station by taxi or can be accessed from Nagoya subway station through Higashima line (yellow) bound for Fujigaoka, transfer at Motoyama (H16) station to Meijo line (purple) clockwise and get off next station (Nagoya Daigaku, M18).

Attending Part 2 (APU) Only

Most international flights will arrive at the Fukuoka International Airport (airport code FUK) <http://www.fuk-ab.co.jp/english/index.html>. A member of the APU secretariat will greet you at the airport, give you a bus ticket (if you prepaid when you registered) and direct you to the bus station at the airport. The bus ride to Beppu City will take 2 hours and end at Kitahama bus stop. Please book a hotel in Beppu City near the Kitahama Park (e.g., Hotel Aile, Nishitetsu Resort Inn) or contact the APU secretariat c/o Dr. Michael Angelo A. Cortez at cortezm@apu.ac.jp for assistance (Subject: Hotel for ICBEIT). When you register, you may also prepay your bus fare to return to the airport on the day of your flight departure.

The APU campus can be accessed through public bus or, for a fee paid during registration, through a bus to be chartered by us.

Attending Both Part 1 (NU) and Part 2 (APU)

Participants must make their own transportation arrangement (by air or train) to go from Nagoya city to Beppu city. If you are flying from Nagoya to Fukuoka International Airport (FUK), you may coordinate with our APU secretariat at the airport to transfer to Beppu city. You may also prepay your

roundtrip bus fare between Fukuoka International Airport and Beppu city (Kitahama bus stop).
