

LionPATH Updates 3-15-2017

Completed

- Missing SSNs that are available in CIDR loaded into LionPATH—enabled loading of additional FAFSAs
- UI released to beta testers; feedback positive so far; for details on planned fixes/improvements, see: <http://sites.psu.edu/lionpathbetatest/known-issues/>
- So far we've had 88 unique users.
- Top 10 pages for Beta users; this illustrates current functionality and highlights what has yet to be tested.

- DF grades lapsed today (3-15) and will continue to do so as students hit their exemption deadlines.
- Re-admit letter is fixed.
- Phi Beta Kappa audits are complete.

In progress

- Preparation for new student awarding on Monday, March 20th; over 23,000 awards will be made by the end of the day.
- Development of part-time Dean's list query
- Preparing to notify colleges/campuses of students whose summer enrollments will be cancelled due to delinquent payment status.
- Planning for use of BSN degree for Nursing

Selected Upcoming Activities

- Midnight 3/15 – Fall priority registration begins
- 3/20 - New students get access to LionPATH to enable financial Aid award acceptance

Issues

1. Registration for late starting classes hindered by discontinuation particularly impacting World Campus and Great Valley enrollments; Meeting scheduled for 3/16
