**Internships Available:** We currently have internships available.

Management Trainee Internship - Hiring Nationwide, open to students graduating May 2025 or sooner, typically fits well with business, management, marketing, hospitality, and communications majors.

If you're looking to hit the ground running, the Enterprise Management Internship will help you build valuable business and leadership skills. For a university/college student, the real-world professional experience you'll receive during the internship will help you stand apart from the crowd, and will be more than just a line on your resume.

From day one as a paid intern with Enterprise, you'll learn what it takes to run a successful business and acquire highly marketable skills in management. Our university/college interns take on the same challenges as our first and second year full-time professionals. It's a team-based environment; and throughout your internship, your peers will be right by your side helping you learn, grow and have fun.

### Employment Opportunities:

Full-Time Management Trainee - Hiring Nationwide, open to students graduating in May 2024, typically fits well with business, management, marketing, hospitality, and communications majors.

They say great leaders aren't born; they're made. At Enterprise Mobility, we believe that's true. And when you join us as a Management Trainee, you'll get the support you need to become one of our future leaders. We'll give you real responsibility from your first day, empowering you to get valuable, real-world

experience. From customer service and finance to operations and sales, you'll learn everything it takes to manage a successful, multimillion-dollar organization. But that's not all. With an open-door policy and a promote-from-within culture, you'll get incredible opportunities to grow and take on new roles.

Whether you see yourself in sales, business development, customer service, retail management, or operations, as a manager in training, you can count on a career path with a clear beginning and an open end that's full of opportunities. With training, development, mentoring, and a culture of promotion from within, you'll always be progressing in your career.

We believe our differences are our strengths, and we are committed to embracing a culture of respect, dignity and inclusivity.

Pressley Ridge was founded in 1832 and remains headquartered in Pittsburgh, Pennsylvania. Over the course of nearly two centuries, we have continued to evolve to serve diverse communities, as well as the needs of the most complex youth and families. A legacy of successful outcomes has enabled us to expand to serve communities in Central Pennsylvania, Ohio, West Virginia, Maryland, Delaware, Virginia and Texas.

Each year, thousands of children and families find their path through a variety of home, school and community-based services. Our more than 70 innovative programs provide a safe and supportive environment where children, youth and families can work to increase their sense of wellbeing and achieve sustainable, positive outcomes.
