

Dinner with the Dean

Tuesday, December 06

6:30 pm

Redifer Special Dining Room

Please join Dr. Paul Taylor, Associate Dean for Undergraduate Studies, and the Paterno Fellows Special Living Option students for dinner in Redifer on Tuesday, December 6. All members of the Paterno Fellows community are welcome. We will reserve a room for the group. Please get your meal (use your meal plan, LionCash or other form of payment at the student rate) and join us for a chance to wrap up the semester and get to know each other a little better over a shared meal.

See you there!
