Company	Description	Position	YR	Location
<b>Lutron Electronics Co., Inc.</b>  <b>*PREMIER SPONSOR*</b>	<p>Lutron Electronics, headquartered in Pennsylvania, designs and manufactures energy-saving light controls and automated window treatments for both residential and commercial applications. Its innovative, intuitive products can be used to control everything from a single light, to every light, shade and even stand-by power in a home or commercial building. Lutron products make any space more versatile, while enhancing ambiance, comfort and productivity. They also save energy and make light bulbs last longer, making them an eco-friendly addition to the home and workplace. Founded in 1961, Lutron estimates that the installed base of its products saves the nation nearly 10 billion kWh of electricity, or approximately \$1 billion in utility costs per year</p>	Full-time, Co-op	SO, JR, SR, GR	Coopersburg, PA
<b>Danaher Corporation</b>  <b>*PARTIAL SPONSOR*</b>	<p>Danaher is a global science and technology innovator committed to helping our customers solve complex challenges and improve quality of life around the world. Our family of world class brands have unparalleled leadership positions in some of the most demanding and attractive industries. Our team of 66,000 associates around the globe is united by a powerful business system which serves as our ultimate competitive advantage. In 2014, we generated \$19.2 billion in revenue and have earned a spot on the Fortune 150 list. During the past 20 years, our stock has outperformed the S&amp;P 500 Index by nearly 2,800 percent. Our quiet quest to expand and build high-performing businesses across a variety of industries requires top-notch MBAs that seek a General Management career path.</p> <p>Our extraordinary success is the direct result of our people and the Danaher Business System (DBS). DBS has evolved from a collection of manufacturing improvement tools into a philosophy, set of values and series of management processes that collectively define who we are and how we do what we do. Today, our DBS tools are designed to help us excel in areas of GROWTH, LEADERSHIP and LEAN.</p> <p>Danaher associates are pursuing a focused strategy aimed at building businesses that matter within five (5) strategic platforms: Environmental, Test &amp; Measurement, Dental, Life Sciences &amp; Diagnostic, and Industrial Technologies.</p>	Full-time, Internship		
<b>Ford Motor Company</b>  <b>*PARTIAL SPONSOR*</b>	<p>Ford Motor Company is about more than making world class vehicles - at Ford we Go Further to meet the needs of our customers, the challenges of our industry and the issues confronting our world. In order to do that, we are looking to attract the top talent-like you. Ford is a place where development is valued for all, and employees are encouraged to learn, build skills and continuously improve year-after-year. When you work at Ford, you and your team will Go Further each day to deliver great products, build a strong business and contribute to a better world. The distance between you and an amazing career has never been shorter!</p>	Full-time, Internship , Other: Rotation Program	JR, SR GR	Mostly Southeast Michigan area, but possibly at other Ford North America locations as well.

<b>United States Postal Service</b>  <b>*PARTIAL SPONSOR*</b>	<p>The United States Postal Service's 'Management Foundations Program' is an 18 month long full time paid rotation program. After the 18 month program, the individual will be placed into a professional position outside the program. If they are meeting goals and expectations they can receive a merit and position increase after 12 months and 18 months as they leave the program. The career entry program allows a bridge from college to a full time career. It is a developmental program that allows professional growth through mentoring relationships. The program consists of a cohort of approximately 30 other individuals in business units across the organization. This allows a great way to network and learn from others similar to them. The program also provides executive support and exposure.</p>	Full-time, Internship	SR, JR, SO	Pittsburgh, PA and Washington D.C. (headquarters)
<b>Accenture</b>	<p>Accenture is a global management consulting, technology services and outsourcing company, with more than 323,000 people serving clients in more than 120 countries.
