

# EXTENSION SCHOOL GRADUATES THIRTY; A GOOD SHOWING

The Engineering Extension school of the Pennsylvania State College finished its year's work last night and thirty of the graduating class were presented with certificates for the completion of the course as mapped out. Addresses were made by B. F. Williams and Geo. Nicholson, secretary. The members were highly complimented by the speakers and there were also words of praise for the instructors, who lost no opportunity in assisting any of the students when assistance was desired. C. F. Hick and E. Blacherwicz received honorable mention for perfect attendance.

The members of the graduating class are:

Elementary, Algebra and Electricity, A. C.—T. J. Blanford, Harry Wolfe, T. A. Syron.

Elementary, Algebra and Electricity, D. C.—T. R. Hughes.

Elementary, Algebra and Geometry—F. A. Arnold, G. Kazlusk.

Elementary, Algebra and Elementary Mechanical—O. J. Parker, L. Slivinski.

Electricity, Direct Currents — H. Burn, T. P. Him, D. L. Jones, E. Blachewicz.

Electricity, Alternating Currents—T. P. Dziadosz, John B. H. Gloman, C. F. Hick, H. W. Hick, F. A. Hoffman.

Mechanical Drawing—C. H. Klein.

Arithmetic and Elementary Mechanical—H. H. Ridgway.

Trigonometry and Alternating Currents—Thomas Gildea.

Trigonometry—W. C. Fancourt, R. C. Gates, W. Kresge, G. A. Richards, E. Y. Randall.

College Algebra and Trigonometry—R. F. Pickering, G. B. Walker.

College Algebra—Russel Thomas, J. A. Kleity.

Geometry—D. Kivler.

Elementary Mechanics—R. Shepherd.
