

GENDER / POWER

Final Performance on Zoom
Wed, April 28th at 7:30pm EST

<https://tinyurl.com/GenderPowerPSU>

Gender/Power is a collaborative workshop and teaching methodology that uses storytelling and movement to reveal the myriad ways systems of power and control affect our bodies. Drawing from personal stories, students map intersecting themes and translate these into somatic gesture, video art, and movement composition. Meeting at the intersection of queer theory, theatre studies, and performance art practice, students have worked collaboratively over the semester on a live performance event. Please join us!
