### **Welcome and Introductions**

Membership updates will be made to the membership document and distributed to the group.

### **F8 Update**

Tom King provided an update to the group per the attached chart.

### **Annual Report Overview**

Linda LaSalle provided an overview of the 2012-2013 Partnership Annual Assessment Report (pdf attached)

\*Note: ED visits on the F8 report have increased as compared to the Partnership report where numbers are down. This is due to the fact that the F8 report is all alcohol related ED Visits and the Partnership report reflects only Penn State students' alcohol related ED visits.

### **SPD Report**

Adam Christensen provided an overview of the State Patty's Day Report, which will be distributed to the SPD group at the first meeting.

### **Symposium Review**

The Alcohol Symposium took place on October 7, 2013. Damon Sims commended the planning committee on a wonderful job and asked those members in attendance, for their opinion of the event. Responses were very positive. Adam Christensen stated that the overall responses to the satisfaction survey afterward were overwhelmingly positive and very satisfied; a few suggestions were made as follows:

- Include more students and parents as both participants and presenters
- More open dialogue
- Variety of universities in attendance

The symposium presentation materials are available at the website: <http://www.outreach.psu.edu/alcohol-symposium/>

### **SPD Planning**

- Tom Fountaine stated that the goal is to convene the SPD planning committee soon after the Thanksgiving holiday, a date will be forthcoming.
- A group of students are meeting with the Tavern Association on November 20<sup>th</sup> to discuss State Patty's Day 2014.

- Damon Sims stated that the University is interested in continuing last year's initiative, to halt the sales of alcohol during State Patty's Day weekend.
- Rachel Franceschino pointed out to the group that there are two weekends after THON, but, before spring break this academic year.

### **SOUNDS**

Misha Cleveland addressed the group about "Sounds" a soon to be 'non-profit' which is geared to provide alcohol free activities for high school and Penn State students. The goal is create a space to host events and activities based around live music and to provide a way for people to socialize without drinking. The first event was held at Websters and attended by approximately 100 people. Anyone that is interested in collaborating with Misha is invited to contact her by email: [misha@soundshv.org](mailto:misha@soundshv.org)
