

CT GLOBAL SOLUTIONS, INC.
POSITION – JUNIOR CONSULTANT

Location -- 5100 W. Tilghman Street, Suite 110
Allentown, PA 18104

Company Description

CT Global Solutions, Inc. is a boutique consulting firm specializing in a synergistic blend of management consulting, financial modeling, analytics, and technology services focused on improving financial and operational performance for its clients. The firm's solutions focus on the following three areas: profit analytics; financial modelling; and customer engagement. As leading implementation partner of SAS, the largest privately held software company, CT Global Solutions has implemented customized solutions using a variety of SAS tools including Financial Management, Cost and Profitability Management, etc. for leading private and public sector organizations. The firm uniquely offers employees the flexible, entrepreneurial culture of a rapidly growing company and the exposure to high profile clients typical of larger consulting organizations. The resulting dynamic and challenging environment is the ideal platform for career development and personal success.

Position Background

CT Global Solutions is currently looking for an accounting consultant to add to its Allentown, PA-based consulting team. This individual will play a key role in the end to end implementation of our profit analytics and financial modelling solutions. As a member of dynamic, rapidly growing team, the consultant will undergo extensive training on SAS tools and mentoring by both senior consulting staff and firm management.

Role & Responsibilities

- Gather solution requirements based upon both business user and IT needs.
- Assist in documentation and requirements capture.
- Work independently and under mentors to develop profit analysis and budgeting models.
- Create data tables utilizing Data Integration (DI) tools.
- Work with client business users and IT stakeholders to provide post-implementation maintenance and support

Qualifications (required unless noted otherwise)

- Undergraduate degree in Accounting with exposure to financial management.
- High degree of proficiency with MS office including Excel and Access.
- Willingness to travel.
- Ability to work collaboratively with internal and client teams.
- Excellent communication (written and verbal) skills.
- Any internship or other work experience in the area of cost analysis and budgeting is preferred.
- Any background in programming is preferred.

Compensation – competitive base salary + comprehensive benefits

Start Date – April 2015 (flexible)

In order to be considered for this position, please submit a resume and cover letter highlighting relevant experience and skills to: manash.ray@ctglobalsolutions.com

Applications without cover letters will not be considered.
