

Posture Interactive – www.getposture.com, has joined the Internship Initiative with a goal of offering a graphic design internship, starting in October. This internship will be \$10/hr., offer a good deal of flexibility in internship timeline for the right candidate (start: October, completion could be January or later with holiday break), and could potentially result in full time employment post-graduation.

Preferred senior level, 15-20 hours per week, Adobe suite skills needed.
